

Connect, Empower & Transform

Neta Scientific hosted our annual National Sales Meeting February 5 – 9, 2024, at the Westin Mount Laurel in New Jersey. The Neta Team had an action-packed week with training, networking, and fantastic conversations. Thank you to everyone who joined us. Participation from our suppliers was at capacity, with 33 different suppliers joining us throughout the week. Gold and Silver sponsors had the opportunity to present their portfolios, sales strategies, and training to the Neta Team.

On Thursday, February 8, 2024, we hosted our Supplier Fair. The Supplier Fair provided an excellent opportunity for suppliers to meet the entire Neta team, present new products, and perform hands-on demonstrations of their products available to us in the Neta Scientific portfolio.

After the Supplier Fair, Corning Life Sciences sponsored our Networking Cocktail Hour, followed by our Awards Banquet. At this time, we recognized our supplier partners who have gone above and beyond and also recognized internal team members who exceeded expectations. Congratulations to the following award winners:

Small Business of the Year Award – BRANDTECH Scientific
Sustainability Partner of the Year Award – MilliporeSigma
Channel Partner of the Year Award – Paul Davidopoulos, Corning Life Sciences
Strategic Channel Partner of the Year Award – Agilent Technologies
Salesperson of the Year Award – Anushk Gupta, Bus. Dev. Mgr., MidAtlantic
Team Contributor of the Year Award – Karla Forgash, Supplier Marketing & Relationship Manager
Milestone Award – Garnetta and Winfred Sanders, CEO and President (respectively)

The Entertainment for the evening event was John Heffron, a corporate speaker/stand-up comedian. John did a fantastic job relating to all ages in the room with his observations and comedy, leaving everyone laughing as we ended the evening.
